**Our Mission** is to provide a place for empowering self-expression and freedom. To create a strong sense of relatedness and community. To bring together people from various lifestyles and backgrounds in the universal desire for creativity, self-expression, freedom, and community. Passionate creativity and self-expression is a fundamental requirement for the achievement of joy and happiness.

We started this journey over eleven years ago and continue to provide a strong art connection for our community. Call today and find out how you can be involved!
