# Badge Activities

We specialize in creating a program that will help your scouts quality for their art badge.

Brownies, Girlscouts, Cubs or Wolves, any level of scouts can come and have a tailored program to fit your troop's needs.

Generally it takes two trips to earn an art badge. This offers enough time for all the badge requirement to be accomplished without having to rush through. Some requirements may have to be done or finished at a regular troop meeting to get all the requirements in and save time.

Call Director Susan Edwards to talk about your troop's program needs.

Painting and many other projects are available
